

ALLIANCE - Why **Vote NO** on Proposition 1

THE CALIFORNIA ALLIANCE PROPOSITION 1 – Why Vote **NO!**

Dear Priest,

As you know, **Proposition 1** is on the November Election Ballot. If passed, it would be added to our California State Constitution and would allow abortion (even for a healthy baby) up to mere seconds before their birth...clearly the murder of an innocent, helpless child.

Action items:

1. Alert your congregation about this Proposition from the pulpit. As a 501(c)3, you are allowed to share facts about measures on the upcoming Ballot, and to consider your involvement in the ballot initiative in your annual allowable amount of influencing legislation per the IRS.
2. Send emails.
3. Share the faith-based website. There are also other websites listed for additional information, including one in Spanish. This is about God's People uniting as ONE to defeat a diabolical proposition!
4. Add your name to The California Alliance in support.
5. Encourage others to register to vote, and to VOTE for the Lord's Choices, those candidates and issues that align with His Heart and His Word!
6. Most important, please raise up PRAYER!

Please visit the website with the many different links filled with information and resources.

Please consider joining the Alliance and share with others! And if you have an article or other information you believe would be beneficial to help people better understand Proposition 1, please do send it!

Current California law states a mother may have an abortion up to the viability of their baby (typically 22 – 24 weeks) and after that, if the mother's health is in danger, or in the case of rape or incest.

There are other wonderful LIFE options a mother can offer her baby, including:

1. Adoption
2. Dropping off her newborn at a designated location such as a fire station or hospital, without any questions asked. www.safehavenalliance.org
3. Obtaining advice, encouragement, and help from a Pregnancy Crisis Center.
4. There is also help offered to women who have been hurt by abortion on the website. They can be healed body, soul, and spirit as many testimonials on the Operation Outcry link reveal.

For God's Kingdom to arise in California, for the babies, for LIFE!

Abundant blessings as TOGETHER we help STOP Proposition 1!
